Welcome to our 2013 preview brochure!

Dear Party Leaders

Having just returned from an action packed few days in Austria firming up our 2012 arrangements and contracting beds for the 2013 season, I am delighted to present our exciting 2013 preview brochure.

Fantastic Early Booking Discounts!

We are very aware that in the current economic climate, it is important to promote trips to students as early as possible in order to allow parents to save up! We are also mindful that we need to keep prices as low as we can in order to make the trips affordable for all. With all this in mind, we are pleased to offer an early booking discount of £25 per paying student for trips booked by 1st November 2011.

Free Preview Trip

As you will see in the brochure, we have a number of new resorts for 2013. New resorts are good, but we understand that many Party Leaders

like to return to places they know. If this is you and you would like to investigate a new area without 40 kids in tow(!), then why not join us on our Inspection Trip to Italy in December? This will also give you an opportunity to share experiences with other Party Leaders and maybe squeeze in a bit of Christmas shopping at one of Italy's wonderful Christmas Markets. As an additional bonus, we are offering this free of charge to Party Leaders who book their 2013 trip by 1st November 2011!

Club Europe continues to offer tours of the highest quality and is one of the longest established ski operators in the schools market. So read on, select your chosen area for 2013 and then contact us to secure your place in one of our resorts in 2013.
