

Club Europe - Travel Insurance

We believe that safety and enjoyment are equally important when booking a tour with Club Europe. It is therefore why it is a condition of booking with us that you have obtained adequate and valid specialist school group travel insurance for the entire duration of your trip.

Club Europe have decided to partner with Endsleigh Insurance, to create a bespoke school group travel insurance policy that covers against a variety of unforeseen risks.

Cover includes cancellation and curtailment of the trip due to illness, injury or death; the cost of any repatriation back to the beneficiary's home country following a medical emergency. Additionally cover for over 100 sports and activities are included as standard under this group policy and full details are available within the activity guide lists in the group policy documents.

The group policy has been arranged for the benefit of persons travelling on a trip (the beneficiary / beneficiaries) with Club Europe (the group policyholder).

- A 24 hour helpline for medical emergencies
- Emergency medical expenses in the event of illness or injury
- Protection against cancellation or curtailment charges

Important Conditions Relating to Health

Any beneficiary of the Endsleigh travel insurance policy, who is under 18 years of age, who are UK residents and travelling to countries in Europe only, will be exempt from the Important Conditions Relating to Health detailed in the group policy and any pre-existing health conditions will be automatically covered.

If you are not eligible for the above, please find the [Pre-Existing Medical Conditions Guide](#) to establish the Important Conditions Related to Health.

General conditions and general exclusions apply to the whole of the group policy and all levels of cover.

Global Health Insurance Card (GHIC)

We highly recommend that all travellers obtain a UK Global Health Insurance Card (GHIC) if travelling to countries in Europe. The UK Global Health Insurance Card (GHIC) allows British nationals access to statutory healthcare in Europe at a reduced cost or sometimes for free.

It is important to note that the GHIC is not a replacement for travel insurance. The GHIC may not cover the cost of all medical treatment or repatriation, whereas the Endsleigh travel insurance policy will cover extended costs under Section 2 – Emergency medical and other expenses.

For more information about the UK Global Health Insurance Card (GHIC), you can visit the gov.uk website here: [Apply for a UK Global Health Insurance Card \(GHIC\) - GOV.UK \(www.gov.uk\)](#)

Alternative travel insurance providers

Should you decide to make your own travel insurance arrangements, please note adequate and valid travel insurance is a requirement for all those travelling with Club Europe. It is a condition of completing your booking with us that you agree to obtain adequate travel insurance (which includes bespoke features specific the activities you will participate in whilst on your tour).

If you have any questions about the travel insurance we have designed for you through Endsleigh, please [contact us](#).

Insurance will be included for your group automatically - **Please note that as soon as your full first deposits have been paid and received for every member of the group, your policy will then become effective immediately.**
