a supplement or arranged individually*

Ski in the superb Salzburger Sportwelt

You will be staying in this World Class ski region, which offers unbeatable skiing with 760 km of pistes. Our ski pass covers the four villages in this fantastic ski region, which is renowned for its great mixture of sport, action, après-ski and hospitality.

You will be based at the Jugendhotel Wiederkehr, which the Thurner family continue to ensure is a first-class, family-run house combining excellent standards with a warm welcome.

Perfectly situated, you are only a few minutes walk from the Flying Mozart lift and the famous Wasserwelt, while the village centre is only a short stroll away. There is plenty to keep your students occupied in the evening, including sports hall, table tennis and games room, as well as sauna and steam room for the adults. The Sportwelt is constantly looking for new ways to innovate and impress its loyal client base; recent improvements include the G-Link gondola linking the two mountains in Wagrain and a wide variety of challenging snowparks for freeriders.

To book, contact cath.r@club-europe.co.uk by 8th February 2019 or call 0208 772 2870
