Friends and Family Ski Safari 2019, Saalbach-Hinterglemm, Leogang and Fieberbrunn

With the opportunity to
do the circuit in a day, this
really is one of the best
ski areas in Austria, if not
Europe!

The modern, well-connected
lift system with its numerous
high-speed gondolas offers
over ten main entry points
into the ski circus, providing

easy high level access
and keeping queues at a
minimum - there is now a
10-seater cable car linking
Saalbach with Fieberbrunn,
bringing you a whole new ski
resort in one lift pass!

Limited places available!
